

Camp Training

Camp training is the practical manifestation of institutional training. The basic aim of Camps is to introduce cadets to a regimented way of life and helps in developing camaraderie, team work, leadership qualities, self-confidence, self-reliance and dignity of labour in the cadets. The cadets are exposed to the excitement of camp life where they apply the theoretical knowledge that they had gained in Institutional Training. It is mandatory for Junior Division/ Junior Wing cadets to attend at least one camp and Senior Division/ Senior Wing cadets to attend a minimum of two camps during the period of their enrolment. NCC conducts over 1450 camps annually at an average frequency of more than 100 camps in a month.
